RÜGEN, FÄHRNITZER UFER ZWISCHEN SASSNITZ
UND STUBBENKAMMER

LL5896

TUCK'S POST CARD

CARTE POSTALE — POSTKARTE

Ex Apparatu ut

The Fahrnitzer Shore. Rügen is the largest island belonging to Germany, being attached to Pomerania, and measuring 377 square miles. The picture shows the shore of the "Stubnitz", on the Peninsula of Jasmund and gives a good idea of the chalky precipices which separate the Stubbenkammer Gorge and Sassnitz. The latter is a favourite bathing place.

(This Address Only)

Processed in Bavaria.
